## TRAINING

The Open Water Diver course is a 3-step process:

1. Study academics at home at your convenience. Review the text, watch the video or DVD, and complete the study guide.
2. Complete academic review in the classroom and pool sessions with your SSI instructor.
3. Complete open water certification dives. Apply your skills during 4 open water dives to become certified as an Open Water Diver. See the Open Water Certification brochure for details of this step.

## AFTER COMPLETION

After completion of the Open Water Diver academic and pool sessions, you must complete your Open Water Certification dives within 6 months of your last class session. Once certified, your certification lasts a lifetime. Remember, though, to maintain proficiency and always
